

# SUNSHINE KIDS

# Meeting Mum's Demands

## SAFETY

Chicco strives to safeguard baby's safety and has therefore decided to have its glasses tested by CERTOTTICA.

*"Certottica is the Italian Institute for the certification of optical products. It was founded to ensure the optical industry is fully supported by an organization capable of examining products and production processes in accordance with European Directives and international standards to issue appropriate test reports to certify their compliance."*

Chicco sunglasses are:

- Shock resistant
- Shatterproof
- Made in atoxic material
- Made in hypo-allergenic material
- Polarized shading lenses to block out 100% of harmful UVA and UVB rays
- Compliant to Directive 89/686/EEC safety requirements and provisions

## COMFORTABLE TO WEAR

Frames for all children's age ranges:

**0m+** Extremely soft frames for newborns and the littlest babies.

**12m+** Rigid frames with soft arms for infants.

**24m+** Completely rigid frames for toddlers.
