

**3100W DIGITAL STEAM IRON**

- CeraGlide XL soleplate & soleplate
- LED Digital display
- Anti-calc & anti-rust
- Powerful steam
- Extra-long power cable

**CERAGLIDE XL**

OUR LARGEST SOLEPLATE EVER AT **20% LARGER** THAN A TRADITIONAL IRON

**30% FASTER** DRYING

**LED Digital Display**

Thermally resistant LED display shows the selected temperature, making it easy to see the iron's current temperature.

**Anti-calc & Anti-drip**

Prevents the build-up of harmful scale and prevents performance.
